Hours per week is the total number of hours that a gymnast is enrolled at a single venue. For example, a 45-minute class is 0.75 hours per week. A class that goes for 1 hour and 15 minutes would be 1.25 hours per week. Monthly tuition is based on a calendar month (4 -5 weeks). Please note: Tuition is not charged for class cancellations due to public holidays and school holidays.

### *Skills for Life*

FCGC provides pathways through gymnastics to help develop skills for life in a positive, safe and inclusive environment. Our programs allow participants of all genders, ages, and abilities to find confidence and grow in character.
