

FCGC Tuition

How tuition is calculated - Hours per week is the total number of hours that a gymnast is enrolled at a single venue.

For example, a 45-minute class is 0.75 hours per week. A class that goes for 1 hour and 15 minutes would be 1.25 hours per week.

Monthly tuition is based on a calendar month (4 -5 weeks).

Please note: Tuition is not charged for class cancellations due to public holidays etc.
