Preschool SIBLING POLICY

In an effort to ensure we maintain high quality programs, to ensure we provide a safe environment for our participants and to meet our insurance requirements the following sibling policy is utilised at FCGC.

- No children over the age of the class requirements (including siblings) who are not enrolled into our preschool program or doing a trial lesson will be allowed in the gymnastics area during any classes. This includes older siblings who are enrolled in other gymnastics programs.
- Siblings under the age requirements of the class must be on the family account but will not be required to pay for or enrol into classes.
- Siblings / spectators may sit in the gated area downstairs if the parent decides this is appropriate for their children. Children in this area need to be sitting and playing quietly and must not distract the class.
- Siblings may wait in the upstairs foyer/viewing area if the parent decides this is appropriate. Pleased note staff members are NOT responsible for supervising any children. Children in this area need to be quietly playing, reading, watching video's etc.

Thank you for your cooperation.
